SHELTER FEATURES

All-steel DuPont™ thermoset baked on powder-coated finish resists rust and corrosion.

Our patent-pending **ShelterLock™ Stabilizer Block** at every rib connection adds *rock-solid strength and stability to frame*.

Bolt-together hardware at every connection point ensures maximum strength and durability.

Our **Ratchet Tite™ Tension System** and **Ratchet Rail Tensioning** keep the cover smooth and tight.

Advanced engineered, commercial grade **polyethylene woven fabric** is UV treated inside and out to stand up to the elements. Ultra heavy-duty PVC cover also available.

Universal steel foot plates for easy and solid connection to ground anchors, cement or pony walls.
